

OBOV Statistics October 2019- July 2020:

Before corona, from mid-October to March 2020, OBOV delivered 12 in-person workshops. During corona it was no longer possible to have in-person workshops. OBOV developed an online version of their workshops, as well as an updated version of their personal safety and security training, now called "OBOV x GLI Online Student Leadership Training " (OSLT) in collaboration with the Good Lad Initiative.

On 17 June, the first OBOV x GLI OSLT was delivered to study associations from the FMG faculty. In this training, 11 associations attended with a total of 21 participants. Seven participants attended the Follow-Up Session on 19 August and the following associations have received the Inclusive Leadership Certificate: Mercurius, Machiavelli, VSPA (Vereniging van Studenten in de Psychologie te Amsterdam), Kwakituti and Studievereniging Sarphati.

Another OSLT was delivered on 29 July 29, to members of the association ASVA and the OBOV UvA Student Board.

90% of participants of the OSLT agree that this training will help their group create a more positive culture in their association (OBOV, 2020).

90% of participants of the OSLT would recommend this training to other associations (OBOV, 2020).

Statistics August – October 2020:

OBOV participated in the Intreeweek Committee's livestreamed Webinar on "Alcohol, Drugs, and Sexual Safety" on 27 August, for students who joined the UvA Intreeweek.

OBOV reached more than 270 students from September-October 2020.

OBOV delivered 6 introduction workshops to AUC freshman (over 200 students in attendance) in September, as well as 4 PPLE introduction workshops to (around 70 students) in October.

89% of the AUC workshop participants would strongly recommend the workshop to other universities
